Dear Mr. Downs:

Re: Boulder Landfill Financial Assurance

Current costs of closure and post-closure for Boulder's landfill are determined to be \$10,735.00. Boulder Town established a dedicated escrow/capital improvement account for the landfill with the Public Treasurer's Investment Fund (PTIF) with an initial deposit of \$2,000. Following an updated estimate of actual costs, it was determined that we would add \$1,622 per year for five years to fully fund the account.

The amount in the fund on January 31, 2006, was \$6,197.31. This year's deposit to the account of \$1,622 was made today, bringing the current total to \$7,819.31. We will continue to deposit to the account for the next two years, at which time the Town should be in compliance with the closure and post-closure care requirements of our permit.

A copy of Boulder Town's most recent PTIF statement is enclosed.

I certify that, to the best of my knowledge, Boulder Town meets the requirements of Subsection R315-309-3(7)(d).

Sincerely,

Bill Muse
Mayor
